

MEMBERSHIP BENEFITS OF THE ENVIRONMENTAL MANAGERS' ASSOCIATION OF BC

Membership Benefits

EMA of BC MEETS THE LAST THURSDAY OF THE MONTH

Through our monthly meetings, members have discussed numerous topics including: Environmental Auditing, Risk Control and Environmental Insurance, Managing Air Quality in Greater Vancouver, Review and Recent Developments in Environmental Regulation and Due Diligence Law, Hazardous Waste Management, Energy Conservation and Management, What To Do If You Are Charged with an Offence Under the Waste Management Act. *(See attached Sample List of Topics.)*

- Our monthly meetings focus on guest speakers and provide an interactive perspective.
- Networking among members provides a platform for the sharing of vital communication and practical information, for example, “what worked and what didn’t work”.
- We host one-day workshops on special issues, such as Risk Management, and Greening your Business, Buildings and your Bank Account.
- A few times during the year we take our monthly meetings on the road. 2002 tours have included the Vancouver International Airport (air-side) and Britannia Mine.

Other membership benefits include the following:

- We publish a newsletter that provides members with information on a range of environmental issues, EMA of BC events and activities.
- Access to the members-only page of the EMA of BC web-site that includes recent and archive presentations.
- A link on the EMA of BC web-site to your organizations web-site (optional).
