“Opportunity is missed by most people because it is dressed in overalls and looks like work.”

-- Thomas Alva Edison
1847 - 1931

American inventor and businessman

A photograph of an industrial facility, likely a refinery or chemical plant, under a bright blue sky with a strong sun flare. The scene features several large, cylindrical storage tanks and complex piping systems. In the foreground, a worker wearing a white hard hat and a high-visibility vest is visible, looking towards the facility. The text "Thank-you!" is overlaid in a large, green, stylized font with a white outline.

Thank-you!
